

```
1  what  a resum actully is
2      A marketing document
3          Not Your autobiography it si
4
5      A highlight reel
6
7      A promise of Value
8
9
10     A6-Secund argument
11
12
13     header & contact
14         include
15             full  name
16             citye & state
17             phone no with country code
18             a profesional email
19             linkdin ur
20             github url
21
22     leave off
23         photo of your self
24         date of birth
25         marrital status
26         full home addresh
27         the heading resum
28         religion cast etc
29
30     education
31         List reverse
32         for each
33             include xii and x only
34             no need to list pre classes-x and schooling
35
36     technical skills
37         launagge
38             java python c etc
39         web & framework
40             html and css node js etc
41         database
42             Mysql mongo db
43         tools
44             git and github vs code postman
45             cs fundamentiaon
46             dsa oop bdms os
47
48     projects
49         projects name + one line on what it does
50         tech stack used ( react , node.js etc)
51         2-3 bullutes using the impact formula
52         a working github link
53
